## A. A. Allen

(1911 03 27 - 1970 06 11)

One of the most well known evangelists of the Twentieth century, Asa Alonso Allen was known as 'God's man of faith and power'. He was incredibly gifted, dramatic and controversial evangelist with a Pentecostal healing and deliverance ministry. He was, for a time, associated with the "Voice of Healing" movement founded by Gordon Lindsay. Stemming in part from purported healings, he established a large following. Allen became one of the first to develop a national television ministry. His television programs frequently included excerpts from his "healing line" ministry.
